#### RoadRunners cruise into postseason

The feel-good storylines continue to resonate out of Topeka, as the RoadRunners, who moved to Kansas' capital this season after playing

three seasons in Santa Fe, N.M., locked up their first-ever NAHL South Division regular-season title last weekend.

"The growth and development of this year's team has been fun to watch," said RoadRunners coach-GM **Scott Langer**, whose club finished the regular season with a 39-11-8 mark. "We started this season on a bit of a roller coaster and ended as the winningest team in franchise history."

Topeka wrapped up its regular season with a pair of wins in Texas, starting with a 5-3 triumph over the Tornado on Friday. **Reed** 

Aaron Gens

Seckel tallied two goals and an assist in the win, while Corey Jendras added a goal and two assists. Between the pipes, goaltender Bryce Merriam made 18 saves.

**Eriah Hayes**' third hat trick of the season lifted the RoadRunners to a 4-1 win over the Wichita Falls Wildcats on Saturday. **Josh Kamrass** connected for the other Topeka marker, and goaltender **Lyle Rocker** steered aside 27 shots.

"We lost a lot of key players from last year's team, and to have the first-year players and veteran leadership that we do is what's taken us a long way," said Langer.

So has the local support. With a 22-4-1 mark at the Kansas Expocentre this season and an average attendance of over 1,500 a game, there's no question the fans have played a major role in the team's good fortunes.

"The local fan base has been phenomenal," said RoadRunners director of media relations-broadcasting **Arch Ecker**. "Our guys get a measurable charge out of playing for this town. The fans have really been a seventh man when we play at home."

Langer recalls a late October weekend as a turning point in the season. After dropping a frustrating 3-2 decision to the Wildcats on a Friday, Topeka rebounded with a 2-1 win the next night, kicking off a six-game winning streak.

"That night I truly believe was the point in the season where this group never looked back," said Langer. "These players have been on a mission ever since and now we're looking forward to heading into the playoffs.

"There's no doubt we know the playoffs are a whole new beast, but if we continue to battle and work the way we ended the year, success will follow." *Story continued at nahl.com...*
