# Wildcats Back On Track

Six-game slide ends with two wins over Springfield

Mired in a six-game losing streak, the Wichita Falls Wildcats came to life last weekend with a pair of morale-building wins over the Springfield Jr. Blues.

"We needed a weekend sweep, or some kind of spark to get us on the right track," said Wildcats head coach **John Bowkus**, whose team improved to 7-9-2 on the season. "Our confidence was low, the players were questioning themselves and we just weren't getting any kind of bounces."

The tables turned on Friday, as Wichita Falls ended its skid with a 4-3 shootout win. **Chad Hudson** scored two goals and an assist in regulation and one goal in the shootout, with **Brett Hartung** adding the other Wildcats marker. Between the pipes, goaltender **Phil Graveline** turned back 34 shots.

The next night, **Zach Rourke** recorded a hat trick, including the game-winning goal, and an assist as the Wildcats downed the Jr. Blues, 7-5. **Kyle Delaurell** added four assists in the victory, and Graveline again made 34 saves.

"Our overall play was better," said Bowkus. "We were able to capitalize on some of our scoring chances and we had players finally contributing on both ends of the ice.

"It's not that we've been playing that bad, we just haven't been firing on all cylinders."

Hudson, who was acquired recently in a trade from St. Louis, has helped the offensive cause. The 18-year-old from Coppell, Texas, scored his first points last weekend (three goals, two assists) since arriving in Wichita Falls.

"Chad hasn't been here that long, but has fit in great with the other players," said Bowkus. "We brought him in to put up some points and last weekend he was able to do that."

Rourke also came out of hiding. With more time on the power play because of recent roster changes, the 18-year-old from Oxford, Mich., collected his first three goals of the season against Springfield.

"When he made the team this summer, we were hoping he would be one of our top-producing forwards, and hopefully he'll continue to prove us right," said Bowkus.

Air Force recruit Delaurell has been one of the Wildcats' top forwards all season long. The 19-year-old from Mission Viejo, Calif., picked up five more assists last weekend to add to his team-leading point total (23).

"We scored more goals last weekend in a two-game series than we have all year long," said Bowkus, "so I'm hoping that's jumpstarted our offense."

The coach is also hoping for improved play from his netminders, Graveline and **Mike Jarboe**. Both have save percentages south of .900, which will need to improve if the Wildcats have any plans of making a run in the competitive South Division.

"Our goaltending has been just average and I'm looking for either Phil or Mike to step up and get us some wins," said Bowkus.
