

COMBINE PROGRAM

LEAGUE OF OPPORTUNITY

Currently in its 49th season, the North American Hockey League (NAHL) began as a small bus league in the Midwest during the 1975-76 season, and has grown into the largest and oldest USA Hockey-Certified junior hockey circuit with 32 teams representing some of the nation's best collegiate development programs. The NAHL's proven pathway for young adults between the ages of 16-20 stems from the commitment of the best owners, coaches and players in the country. It is the only USA Hockey-sanctioned Tier II junior league boasting teams in 20 states across the country.

Each season, hundreds of collegiate and professional scouts attend NAHL games and events, continuing the league's proven track record of moving players on to the next level. In 2023, a total of 380 NAHL players committed to play NCAA hockey, with 70% of those being Division I commitments. It also marked the seventh consecutive season with over 300 NCAA commitments.

Players that move on from the North American Hockey League have thrived at the next level. Of the 80+ players nominated for the Hobey Baker Award, 21 were NAHL alumni. In the last 10 years, 50 players have been selected in the NHL Draft and 57 alumni began the 2022-23 season on NHL rosters.
