THE LEAGUE OF OPPORTUNITY

Currently in its 51st season, the North American Hockey League (NAHL) began as a small bus league in the Midwest during the 1975-76 season, and has grown into the largest and oldest USA Hockey-Certified junior hockey circuit with 34 teams representing some of the nation's best collegiate development programs. The NAHL's proven pathway for young adults between the ages of 16-20 stems from the commitment of the best owners, coaches and players in the country. The NAHL is one of two tuition free junior hockey leagues within the USA Hockey landscape.

Each season, hundreds of collegiate and professional scouts attend NAHL games and events, continuing the league's proven track record of moving players to the next level. In 2025, a total of 422 NAHL players committed to play NCAA hockey, with 59% of those being Division I commitments. It also marked the ninth consecutive season with over 300 NCAA commitments.

NAHL players arrive at the NCAA level college-ready—shaped by elite competition, high-level development opportunities, meaningful exposure, and a proven path for advancement. In the 2025-26 season alone, NAHL alumni have earned 120+ weekly NCAA conference awards, highlighting the league's impact on preparing athletes for success at the next level.
